Enclosure

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF LEDBETTER)	
WATER DISTRICT TO REVISE CERTAIN)	CASE NO. 2007-00324
NON-RECURRING CHARGES)	

O R D E R

On July 23, 2007, Ledbetter Water District ("Ledbetter District") applied for authority to revise certain non-recurring charges. The application was found to be deficient and these deficiencies were cured on August 8, 2007. Ledbetter District has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.
2. The charges set forth in Appendix A to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in Appendix A are approved for services rendered on and after September 7, 2007.¹

¹ In its original application, Ledbetter District proposed that non-recurring charges in question become effective on July 20, 2007. In its revised application, which it submitted on August 8, 2007, Ledbetter District proposed an effective date of September 2, 2007. KRS 278.180(1) provides that "no change shall be made by any utility in any rate except upon thirty (30) days' notice to the [C]ommission. . . ." As Ledbetter District submitted its proposed tariff sheets on August 8, 2007, the proposed charges cannot become effective before September 7, 2007.

2. Within 20 days of the date of this Order, Ledbetter District shall file with the Commission revised tariff sheets showing the rates approved herein.

Done at Frankfort, Kentucky, this 6th day of September, 2007.
